**6 p.m. to 8 p.m. (Formal Presentation at 6:30 p.m.)**

**Sheila Winitzer Central Administration Building, Auditorium**

**3300 NW 32<sup>nd</sup> Avenue, Miami, Florida 33142**

The public is invited to attend an informational meeting about the construction progress of Miami-Dade Transit's AirportLink Metrorail Extension project as it nears 50% completion. The formal presentation will begin at 6:30 p.m. and will be followed by informal, one-on-one discussions with those in attendance to answer questions and address comments.

The AirportLink project is a 2.4-mile elevated Metrorail extension from the existing Earlington Heights Metrorail Station to the Miami Intermodal Center next to Miami International Airport (MIA). This vital project will provide a reliable Metrorail connection to the airport for the millions of residents, visitors and employees who travel to and from MIA every year. The project will also provide a boost to the local economy by creating jobs and facilitating work-related travel and reducing greenhouse gas.
